Editorial Calendar & Advertising Rates

Southeast Food Service News is the nation's oldest regional food service publication. It's designed specifically for the fast changing and competitive restaurant and food service industry. We know the people and the companies – and we know how they all fit together.

SFSN concentrates on food service news that really matters. We keep our articles local and specific to the Southeast. Each issue is packed with photos and stories featuring new products and services available to food service operators. We cover the backgrounds and trends that shape our industry, and we keep our readers up to date with the industry personalities they know and work with.

All of this leads to a greater value for your advertising dollar.
